Why You Should Golf

The MRPA Scholarship Committee distributes up to \$14,000 in Scholarship and Internship Awards each spring to students in a Parks and Recreation Curriculum at a university in Michigan. The funds are raised via donors, sponsors, scholarship socials at the MRPA Annual Conference and the Annual Golf Outing. All funds raised go towards awards for students. In addition, many students volunteer at the outing making it a great opportunity to network with young professionals and share your experiences in the field, while spending a day on the course with your peers.
